

Electronic Safety Scoreboards

Count the number of safe work days in two colors.

- Innovative, durable, frameless construction
- Count days without an accident in green, and if a lost time accident occurs, set the display back to red until you meet your new safe-days goal
- Display can be set to count days or flash between days, date and clock
- Track the 7-day week, or set the display to track only your company's work days
- Display count can be set to freeze or hold
- In a power failure, all information is stored*
- Tamper-proof display easily sets with handheld remote control

* Indicators notify when a hold or power failure has occurred
