

Ribbon Cable Assembly Length

701 Brooks Avenue South, Thief River Falls, MN 56701 phone: 800-344-4539 fax: 218-681-3380

Cable Length
Tolerance: + .25"

The specified length of Digi-Key's value-add ribbon cable assemblies is the length of the cable between connectors. On single ended cables enough additional cable is included to add another connector while still maintaining the specified length between connectors.

For custom lengths or configurations, send inquiries to custom.orders@digikey.com
